Domestic Partner Insurance or Domestic Partner Health Insurance is when an insurance contract extends the definition of spouse to recognize domestic partners. As a result, the health insurance benefits may be extended to the unmarried partner and their children. Couples of the same and opposite sex are able to share insurance under a domestic partner insurance coverage just as a married couple ...

Domestic workers: The economic backbone of Hong Kong but ...

A domestic worker or, especially earlier, a domestic servant is someone who works for somebody to help them run their home. Many domestic workers live in their employers homes. Back in the 19th century many large households in Europe or the United States, as well as other countries, would have had domestic workers.. A domestic worker is employed by somebody, and therefore domestic workers ...
